

MEMBERSHIP RENEWAL

JULY 1, 2011—JUNE 30, 2012

The Transferware Collectors Club

Mission is to educate all interested parties about British transferware and to serve as a forum for sharing information and interests among collectors, dealers, scholars, historians, archeologists, and those that simply appreciate the beauty and technical proficiency of British transferware. Remembering the club in your will or living trust can help to ensure that the valuable programs the club has established will continue and grow. These key programs include:

Transferware Central: An Interactive Web Site filled with valuable content and fresh news about collecting transferware and the pottery industry

Pattern and Source Print Database with thousands of published patterns and hundreds of source prints that continues to grow daily

Interactive Online Exhibitions dedicated to educating and informing a broad, world-wide audience about transferware

Research Grant Program resulting in quality, published research

Keynote Guest Speaker Program that brings highly respected and talented speakers to annual and regional events to share their knowledge of transferware

Annual Three-Day Meeting bringing members together for information sharing, educational excursions and an opportunity to purchase transferware

TCC Bulletin published quarterly and filled with great articles from an international group of researchers

The TCC annual membership runs from July 1 through June 30 each year, so it's **time for you to renew!** Dues remain **\$50** for members living in the U.S. and **\$60** for all international members. Memberships are for up to two members in a household.

If you are a new member who joined after April 1, 2010, your membership will automatically be extended until June 30, 2012, so please ignore the membership renewal part of this letter.
