

## **Transferware Collectors Club**

### **2008 Grant Application for funding publication-worthy research related to 1780-1900 British transfer-printed wares.**

The Transferware Collectors Club has established this grant program to assist individuals in research, writing and other projects in the transferware field. When determined appropriate by the TCC Board, grants in the range of \$1,000 to \$5,000 will go to those whose projects are judged a significant contribution to the field. A committee established by the TCC Board will review applications and make recommendations. The project of an award recipient must provide a benefit to the TCC via an article in the TCC Bulletin, a lecture, a compact disk or other approved medium or method and the grant recipient must acknowledge the club's funding support in any resulting publication or other project output.

Opening date for applications is March 1, 2008. All applications must be received by June 30, 2008. The decisions of the TCC Board will be made at the annual meeting in October and announced to the applicants thereafter by the TCC Secretary.

Your signature on this application certifies that this is original research, not previously published or funded from other sources, and that you accept the obligation to provide some direct benefit to the Transferware Collectors Club. The TCC may request a progress report or a draft manuscript at time(s) of its choosing. A final report must be provided to the TCC within 12 months of grant award, unless an extension is approved by the grant application committee.

The Application is in two parts, A and B, attached.

If you have questions about the grant application form or the process, please contact Jackie Overman at:

**All applications must be received by June 30, 2008.**

# Transferware Collectors Club

## 2008 Grant Application Part A

A. Please Print or Type the following:

Name:

Home Address:

Work Address:

Email address(es):

Telephone or cell#:

---

Signature and date:

# **Transferware Collectors Club**

## ***2008 Grant Application Part B***

**B.** On separate sheet(s) answer the following:

1. Please provide a concise outline of your proposed project, or the work in progress, with working title.
2. How does your project contribute to transferware knowledge?
3. What types of sources do you expect to use in your research?
4. How do you plan to use the proposed grant funds? (Please note: If a request for domestic and/or foreign travel is included in your proposal, rationale must be provided. Expenditures should be based on the most reasonable costs available, and undocumented or unverifiable expenses cannot be funded.)
5. What is your expected completion date?
6. What publisher(s) may be interested in your work? What contacts have been made?
7. Have you completed other ceramic-related work? Give title, date and publisher. If unpublished, please provide a sample of your written work.
8. What was the origin of your transferware interest? Do you have any area(s) of specialization?
9. What is your educational, professional or business background?
10. Please provide two transferware-related references familiar with your knowledge of or experience with transferware.
11. Please sign and date your application on page 1.

**All applications must be received by June 30, 2008.**
