

Jumble Sale

The Jumble Sale, which offers non-dealer members the opportunity to sell transferware and related reference books and prints from their collections, will take place during the Transferware Sale. Jumble Sale Coordinator Terry Majewski will collect items for sale, assist with completion of paperwork, display the items, and man the sales. If you have questions about the Jumble Table, please contact tmajewski@srcrm.com.

Jumble Table Guidelines:

- Each attendee may place up to ten items in the “Jumble Sale.”
- A pre-sale fee of \$3.00, payable upon delivery of items to the Jumble Sale area (cash or check only please), will be charged for the inclusion of each item. Payments from the sale of each item will be made directly to the seller, no commission is paid to the TCC.
- Items must be delivered to Wyeth Gallery C 2nd floor (same room where transferware sale will be held) no later than 1:00 p.m. on Sunday, with the member’s name and sale price clearly marked on each piece. A brief “Sale Form” must be completed for each item.
- Items not sold during the Jumble Sale must be retrieved by the owner at or before the end of the sale.
- Payments may be collected at the conclusion of the Transferware Sale, or upon retrieval of unsold items.
- The TCC is not responsible for damage or loss.
