

TCC Annual Meeting

October 28, 2023

2023 Virtual Annual Business Meeting

The Annual Business Meeting portion of the 2023 Virtual Annual Meeting was held on October 28, 2023. It included reports on the various activities of the club and information on plans for the April 2024 in-person Annual Meeting in Philadelphia. TCC President Scott Hanson organized the meeting and was responsible for much of its content. The meeting consisted of two video presentations and the Annual TCC member business meeting. All told, 42 members participated in the meeting. The vote to renew three year terms for these two board members: David Hoexter, and Judie Siddall, and vote to elect new director: Heather Cline was unanimous.

Members can watch the video at: <https://www.transferwarecollectorsclub.org/news-information/lecture-series/videos/2023-virtual-annual-business-meeting>
