## TCC Membership Benefits

### **The TCC Bulletin:**

Receive the current and all archived bulletins online for free. This publication features articles concerning transferware, new discoveries, visits to significant collections, book reviews and anything else the membership decides it wants to print.

### **Transferware Pattern and Source Database:**

Full access to our database. This database contains more than 15,000 patterns and a thousand sources.

### **Invitations to our Meetings:**

Attend our Annual Meeting, held in various locations in the US and UK, for lectures, tours, and other exchanges of information, and a big transferware sale!

### **Membership Roster:**

Members have access on the website to a listing of all current TCC members. This is for non-commercial use only. Members have the option to opt-out of this roster.

### **Constantly Updated Website:**

The TCC website provides numerous resources for the transferware collector and researcher, including articles, books, news, and resources.
